Subject: I support One Fair Wage!

856

Dear Most Honored Committee,

I support One Fair Wage in CT because workers deserve a wage their families can depend on. These workers should not have to depend on customer's tips to supplement their wages. The current tipped minimum wage of \$5.78 in Connecticut isn't enough. The 57,000 tipped workers in this state are overdue a raise.

Thank you for your time and I look forward to congratulating you for passing this legislation soon!
